

Our Company

Minneapolis Realtor

Commercial

Results Real Estate Incorporated is a commercial real estate company that specializes in finding creative solutions in office leasing, retail leasing, industrial space leasing, property management, office building acquisition or disposition and investment properties.

Mission Statement

To provide results-oriented and personalized commercial real estate services for our clients, raising their expectations, and then exceeding them.

Strategy

Our foremost goal is to serve our clients by always doing what is best for them, even if it means walking away from the transaction. Our thoroughness and comprehensive approach is second to none. We do what we say we will do and we get the job done right, the first time.

Experience

RESULTS REAL ESTATE INCORPORATED encompasses over 40 years of real estate experience by its professional team. This experience helps us to find the most creative solutions for our clients needs and establishing a win-win scenario

Areas of Expertise

- Office
- Retail Space
- Office Space
- Industrial Space
- Investment Properties

Differential Advantage

We tailor-make each program to maximize our clients' goals and objectives. We utilize the most innovative, up to date, and creative methods available in the marketplace today to achieve the desired results.

Philosophy

We seriously believe that we are in business to serve our clients and we care greatly about their companies. We strive to be as efficient as possible because this eliminates lost time, effort and money.

Trust

It's plain and simple – our past clients use us again because we did what was best for them. Our clients are happy to refer business to us because of the way we served their needs.
